## **COMPANY PROFILE**

EW Tools & Industrial Supplies is a 100% Black owned Industrial Supply Company. Specializing in Power Tools, Hand Tools and Industrial Equipment and Supplies. Focusing its attention and expertise on the engineering, woodworking, state run and mining industries. Established in 2003 in Lenasia, EW Tools has risen to become one of Gauteng's leading industrial supply company. Our premises comprise of offices, warehouse and showroom.

## **OUR MISSION**

EW Tools and Industrial Supplies' objective is to supply and strive for the following:

Quality and Service of exceptional standards,  
High Standards and Cost Efficiency,  
Accountability for our actions,  
Mutually Beneficial Relationship with our customers,  
Being the preferred supplier by our customers through reliable service, quality and dependability.  
All Management and Staff to conduct ourselves in accordance with Our Mission.

## **OUR PURPOSE**

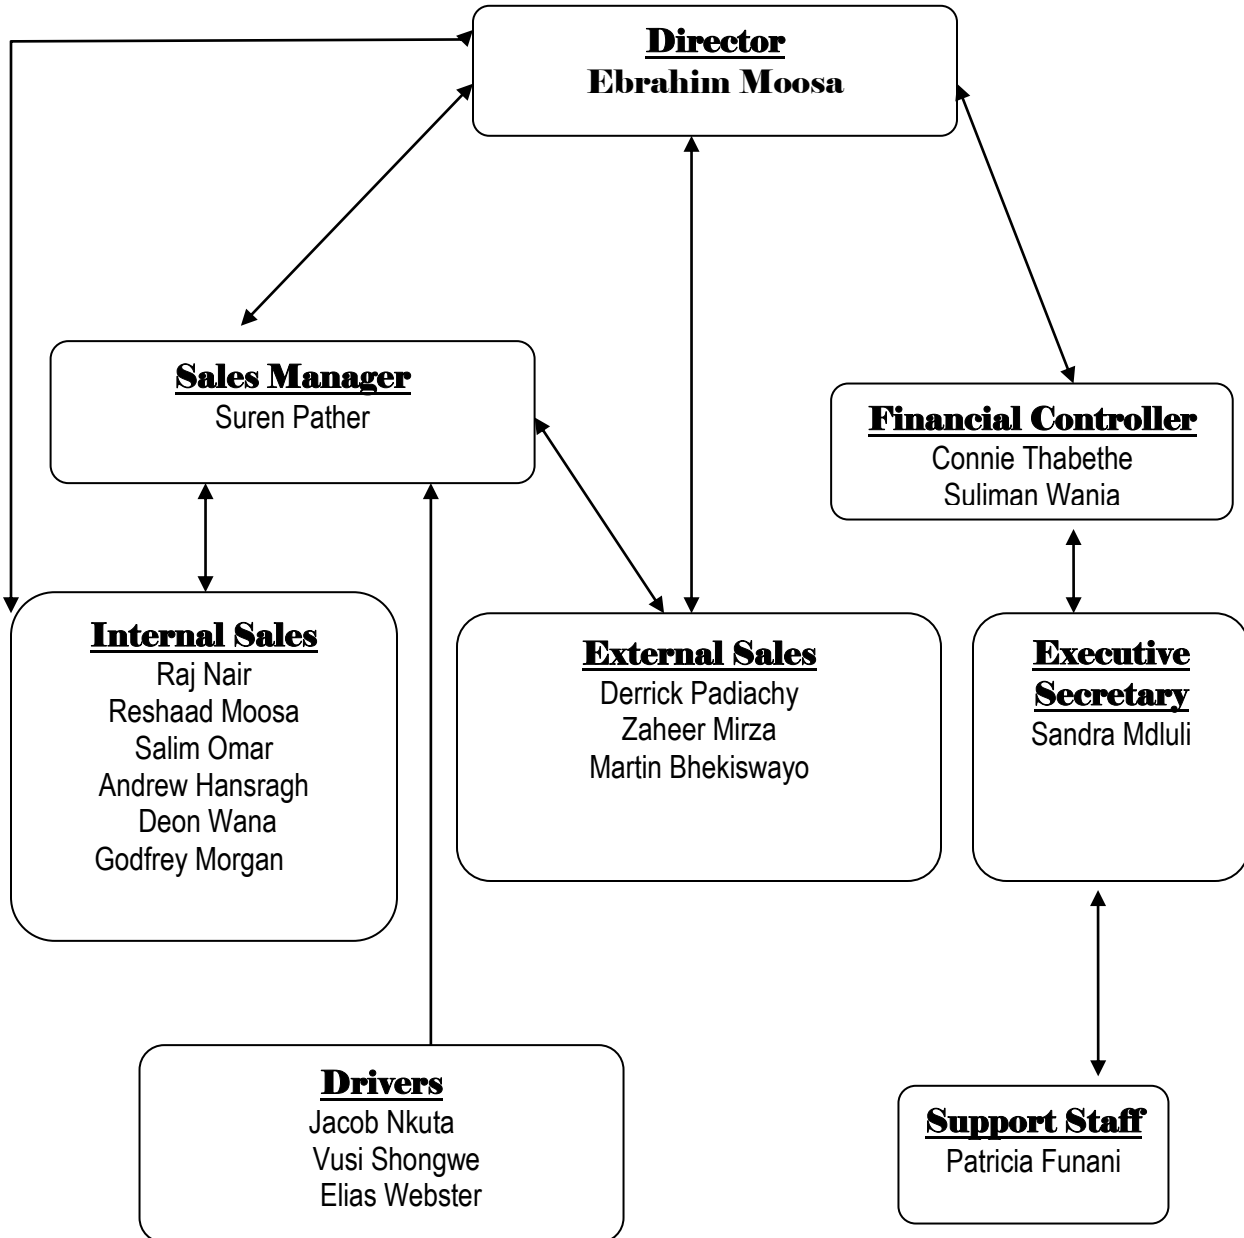

Our fundamental purpose of existence as a profitable company is to use our product knowledge and service excellence to empower and sustain PDI's (Previously Disadvantaged Individuals) as an integral part of our activities, thereby turning our vision of empowerment into a living reality. Staff training is an integral part of the company. In light of afore going motivations, we trust that you would view our request to be placed on your panel of suppliers favourably. We would welcome an inspection of our premises as well as our stock so as to satisfy your company of our ability to perform.

Yours Sincerely

Ebrahim Moosa
